Application for Telephone Service at Monitor (634) Exchange.

The undersigned will grant to the Company the necessary rights, privileges and easements to construct, operate, replace, repair and perpetually maintain on the property owned or leased by the undersigned, and in or upon all roads, streets or highways abutting said property, its line or lines for the transmission or distribution of communications and will execute and deliver to the Company any conveyance, grant or instrument which the company shall deem necessary or convenient for said purposes or any of them. All service lines supplying the undersigned with communications and all telephone instrumentalities and other appliances and equipment constructed or installed by the Company on said property shall at all times be the sole property of the Company and the Company shall have the right of access to said property to repair and service, and upon discontinuance of service for any reason to remove the same.

The undersigned requests the Monitor Cooperative Telephone Company to furnish telephone service and equipment as above specified and as may be ordered from time to time, either orally or in writing.

Subject at all times to lawful rates and regulations. This application becomes a contract when accepted in writing by the telephone company.
